- Core Competencies : Data Analysis, Visualization, Problem-Solving
- Soft Skills : Communication, Team Collaboration, Leadership, Time Management

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Punjabi(Basics)

PROFESSIONAL SUMMERY

Final-year Computer Science and Engineering (Data Science) student with hands-on experience in Python, Power BI, and Excel. Completed internship as Web Developer where I gained exposure to data handling and dashboard development. Skilled in data analysis, problem-solving, and visualization, with certifications in Data Science, Power BI, and Python for Data Science.

CAREER OBJECTIVE

To work in a dynamic and growth-oriented organization where I can utilize my analytical, programming, and data visualization skills in Data Analytics, while contributing effectively to organizational success and enhancing my expertise in data-driven decision making.

INTERNSHIP

EFOS Edumarketers(P) LTD , Greater Noida   JUNE 2024 - SEP 2024
